BESPOKE SOFAS

At the heart of every home lies the sofa—a sanctuary of comfort and a centerpiece of style. Likewise, at the heart of our interior design practice lies a dedicated sofa atelier, where comfort, craftsmanship, and design excellence converge.

Each sofa is thoughtfully custom made to complement the individuality of every space, reflecting our commitment to tailored solutions and refined living. From carefully selected materials to precise detailing, our process is guided by timeless aesthetics, functional comfort, and uncompromising quality. The result is bespoke seating that not only enhances interiors but defines them - ensuring that your home's most important furniture is as unique as your signature

SF-HZN-100

Available in custom lengths and modular arrangements—from an intimate lounge to the grand, extended daybed configuration

SF-HZN-100

Experience the perfect balance of low-profile modernism and inviting warmth. The **Horizon Sectional** is defined by its expansive, linear silhouette and deep-seated proportions, designed to anchor a room without overwhelming its architectural details.

Customized to your floor plan; crafted for your lifestyle

CH-MOD-100

Defined by its striking organic silhouette and tactile depth, this chair reimagines the classic lounge chair as a piece of modern sculpture. This design is an exercise in contrast—where structured, tapered legs meet the fluid, cocoon-like curves of a bespoke seat.

SF-HZN-105

Featuring gentle, embracing silhouettes and plush double cushions, this sofa is thoughtfully designed.

SF-HZN-105

While pictured as a conversational pair, this sofa is fully customizable in our selection of velvets and top-grain leathers to suit any interior palette.

SF-HZN-110

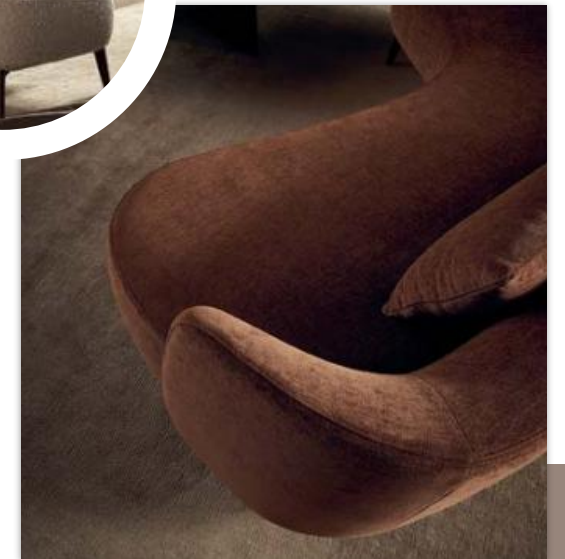

Available in custom lengths and modular arrangements—from an intimate lounge to the grand, extended daybed configuration

CH-MOD-105

A sculptural lounge chair designed for modern interiors. Upholstered in a soft, textured fabric with gently curved lines, it offers inviting comfort while maintaining a refined, contemporary silhouette. Slim metal legs add a light, elegant touch

SF-MOD-105

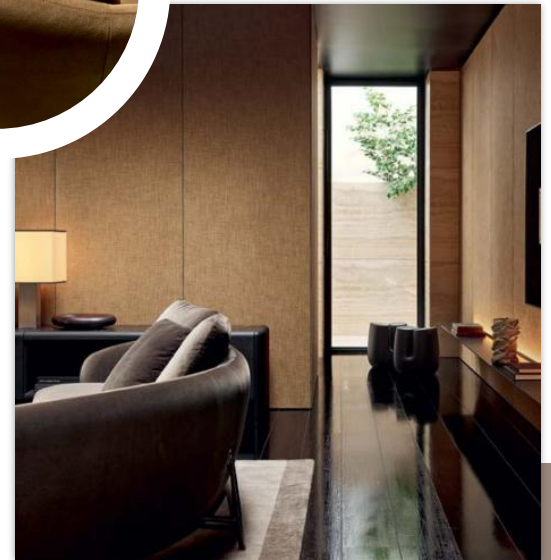

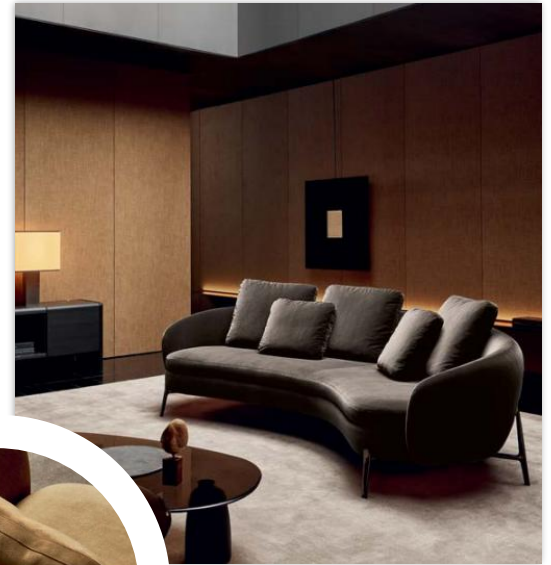

A contemporary curved sofa that brings warmth and elegance to modern living spaces. Upholstered in rich, textured fabric, its generous proportions and flowing silhouette invite relaxed seating while making a refined design statement. Ideal as a centerpiece

SF-MOD-110

This curve Sofa introduces a soft, sculptural flow to the interior. Its arched silhouette with its continuous, sweeping backrest creates an intimate, sheltered seating experience designed to encourage conversation and movement within a room.

SF-MOD-110

SF-MOD-115

This Cloud sofa redefines relaxation through its bold, pillowed segments and generous scale. This design prioritizes a soft-touch aesthetic, making it the ultimate centerpiece for grand-scale lounging.
